

WORKING TOGETHER

THIS IS HOW WE CAN SAVE WATER

VISIT PUBLIC POOLS

AVOID FILLING
AND REFILLING
PRIVATE POOLS.

WASH YOUR CAR IN A CAR WASH

CLOSED SYSTEMS REUSE
WATER MORE THAN ONCE.

OPTIMIZE THE USE OF YOUR WASHING MACHINE

RUN IT ONLY
FULLY LOADED.

WATER AS LITTLE AS POSSIBLE WITH DRINKING WATER

THE LAWN DOES
NOT NEED TO BE
WATERED BECAUSE
IT RECOVERS
QUICKLY. WATER
YOUR BEDS AND
PLANTS AFTER
SUNSET.

AVOID CLEANING YOUR OUTDOOR SURFACES WITH DRINKING WATER

USE DRINKING WATER
SPARINGLY.

DO NOT SHOWER FOR TOO LONG

A SHORT SHOWER
IS ENOUGH TO
FRESHEN UP.
